Meet your TDs

This is the first in a new series of articles profiling the ACBL tournament directors who work at NABCs.

Bernie Gorkin remembers his first tournament director assignment vividly. It was in the mid-Eighties at the regional in Syracuse NY, his home.

Gorkin had done a lot of directing at clubs in the city, but not at a tournament. He walked into the playing area at the regional and ran into Maury Braunstein, one of ACBL's legendary TDs.

Braunstein asked Gorkin about his plans for the evening.

"I'm going to kibitz," Gorkin said.

"No you're not," said Braunstein, handing Gorkin a copy of the laws. "You're working the side game." When the session was over, Gorkin was given a recap sheet to matchpoint.

Gorkin is now a full-time employee of the ACBL, working about 300 sessions a year, and loving every minute of it.

"I love putting puzzles together and making

things work," he says, "and I like being around the players."

Born and raised in Syracuse, Gorkin earned bachelor's and master's degrees in math from his home town university. After graduating, he took a job as a computer programmer for General Electric and later the Carrier

Corporation. In 1990, he went into the financial planning and income tax business with two friends. He is still involved with the businesses while pursuing his directing career.

Gorkin discovered bridge at college. In his sophomore year, he visited one of the lounges on

Kennedy recovering and grateful for good wishes

Betty Ann Kennedy is not one to miss an NABC, so when she's among the missing there must be a compelling reason for her absence.

There is.
About three
and a half weeks
ago, Kennedy

experienced an episode with an ulcer on a main artery that landed her in the hospital in her hometown of Shreveport LA. She was in intensive care for five days, but now is on the road to recovery.

Her doctor told her on Thursday that she need not worry about a recurrence of her problem. "You should have seen me cheer up," she said in a telephone interview on Friday.

Kennedy said the incident was a complete surprise because she was feeling great and even worked out at her health club the day it happened.

She said her doctor told her it will be several weeks before she is 100%, but she is planning on playing at the 2010 Summer NABC in New Orleans in July.

Kennedy said she is really grateful for the many cards, letters and phone calls she has received since friends found out about her illness. "All the attention," she said, "is so appreciated."

She said everything is going well now with one exception: "I'm lonesome for bridge."

Miller and Sloofman lead Lebhar IMP Pairs

Billy Miller of Las Vegas NV and H. Jay Sloofman of Ardsley NY had two solid sessions to take the lead after qualifying play in the Lebhar IMP Pairs. They scored 63.17 IMPs in the afternoon and 57.47 in the evening for a combined score of 120.64.

Lynn Deas of Schenectady NY and Tom Townsend of London, England, are in second place with 102.76 IMPs. They scored 58.0 in the first qualifying session and 44.76 in the second.

Standing in third place are Jonathan Green of Kingston NY and Norman Rubin of Monticello NY. Their total is 95.01.

A total of 156 pairs qualified for the final two sessions today.

The event has been contested since 1987. The Lebhar trophy was donated by Bertram Lebhar Jr. in 1948 in memory of his wife Evelyn. The trophy was previously given to the winners of the Mixed Teams, but was re-designated for the IMP Pairs by the ACBL Board of Directors. Last year's winners were Nikolay Demirev and Nick L'Ecuyer.

Garner, Weinstein take lead in Platinum Pairs

Howard Weinstein and Steve Garner, one of ACBL's top partnerships, are the leaders after the first two qualifying sessions of the first NABC+ Platinum Pairs.

Two semifinal sessions today will be followed on Sunday by two final sessions.

Weinstein, of Sarasota FL, and Garner, of Chicago, have won four North American championships as partners. Each has eight major victories. Their best year as partners was 1997, when they won the von Zedtwitz Life Master Pairs and the Reisinger Board-a-Match Teams. They repeated the Reisinger win in 2001.

After the first two sessions, Weinstein and Garner were in the lead by 5.01 matchpoints (64 top) over Nikolay Demirev of Arlington Heights IL and Gavin Wolpert of Singer Island FL. Right behind them are Nick L'Ecuyer of Montreal and Jim Krekorian of Pensacola FL.

The Platinum Pairs is a new event on the ACBL calendar and is open only to ACBL members who meet one of three criteria: have earned at least 50 platinum masterpoints in the previous three years, have a lifetime total of 200 or more platinum points or have the rank of Platinum or Grand Life Master.

Today's hosts

Each day, a different group of units will host the NABC. The hosts for today are Area 2 and their representative is Larry Crumb. The units in Area 2 are:

Chico Unit 457

Unit 457, located in Chico CA, is in one of the prime agricultural centers of California. Principal crops produced in the area are rice, almonds and walnuts. Chico boasts one of the finest universities in the CSU system. Chico State has the highest employment rate for its graduates of any school in the system. Bridge flourishes in Chico and it has a membership of 100. The unit holds an annual sectional at the Moose Hall at the end of March or beginning of April each year.

The Bidwell Bridge Studio hosts three games a week: Monday, Tuesday and Friday afternoons. There is also a five- to seven-table Easybridge! game Friday morning. The Paradise Duplicate Bridge game is newly reestablished and holds its game each Wednesday. The unit members also

support neighboring units by attending games in Red Bluff and Oroville.

The unit has six ACBL-certified directors and two active teachers that have attained the status of Master Teacher as designated by the American Bridge Teacher's Association.

Eureka Unit 458

Unit 458 is located in the redwoods of Humboldt County (California) with games in Eureka and Arcata, the home of Humboldt State University. The unit has a membership of 79.

The Sequoia Bridge Club in Eureka has four games each week on Monday, Wednesday, Thursday and Saturday. The Bridge Club in the Redwoods, located in the city of Arcata, has one game on Friday .They have a unit game once a month at various locations.

The unit also has ACBL certified, qualified and experienced bridge teachers to help those who wish to learn more about bridge.

Eureka hosta a sectional each year during the month of September.

Redding Unit 464

Unit 464 is located in Sacramento Valley. Redding is the largest city in California north of Sacramento. The unit has a membership of 191.

The unit is host to five different bridge clubs in its area. The Yreka Bridge Club has a game on Tuesday, Mount Shasta DBC game is on Wednesday. Redding has two locations with games on Monday, Tuesday, Thursday and Friday. Red Bluffs Elks Duplicate game is held on Wednesday. They hold their monthly unit game on the second Sunday of each month. They have ACBL certified, qualified and experienced bridge directors to assist with Bridge.

The Redding Unit hosts two sectionals each year at the Anderson City Hall Community Center. They are scheduled as the Spring and Fall Sun Dial Sectionals and are in April and November, respectively.

JUST FOR NEW PLAYERS

Play bridge like a duck By Lynn Berg

No matter how hard you're paddling, try to

look serene on the surface.

Demeanor matters at the bridge table, first, because you need to be pleasant to your partner.
Partners live up to our expectations—positive or negative. Whether you act as if your partner is correct or

incorrect, you are probably right. Assuming that partner will make mistakes will be a self-fulfilling prophecy. Your first responsibility at the table is to make your partner comfortable.

That comfort begins with filling out a convention card together. Nothing makes for more comfort than avoiding unnecessary surprises. Go over the card together and make sure you have two cards filled out identically (that's a requirement for ACBL tournament play). Of course, not everything that will come up is on the card, but knowing that you are working together helps a lot. If an opponent asks the meaning of partner's bid, don't guess! If you have no agreement—haven't discussed the issue, for instance—say so. Don't speculate. If an opponent says, "How are you going to treat the bid?" don't respond to this challenge. Simply say, "We have no agreement" and call the director if the questions continue. The opponents are entitled to know only your agreements, nothing more about your hands. If you've just forgotten but know the answer is on your card, say so.

What if your partner forgets an Alert or makes a mistake in an explanation? Don't leave the table to talk to a director about the problem.

The very act of getting up tells partner there's a problem. Wait until the auction is over. Then, if your side is declaring, tell the opponents before the opening lead is made. If there's much of a problem, someone should call the director immediately. If you are on the defending side, you must not say anything until play is completed. Just as you couldn't "wake partner up" during the auction, it's still wrong to do so before play is over. Your ethical and legal obligation is to wait until the end and then inform the opponents. Most times there won't be any problem, but if they think the lack of correct information made a difference, the director will look at the deal and possibly adjust the score.

If you do not understand or agree with the director's ruling you are entitled to information and explanation. It's improper to argue at the table or to delay the game or to disturb other players while you disagree. Express your problem quickly and quietly. Then put it aside mentally so it won't interfere with your play on subsequent hands. At break time or at the end of the game, talk to the director if you still have questions. In extreme cases, there is an appeals process available.

If you are playing in an open game, a real problem that will get the director called to the table is a hesitation, or break in tempo. Even experienced players often have the wrong idea about what is allowed after there has been a break in tempo. You are allowed to take the time you need to make a decision in the bidding. Don't let anyone tell you that it is wrong to take time to think, though you should make every effort to move along with an appropriate tempo. Having thought, you may pass, double, redouble or bid as

STOP POUTING.
THEY COULD EASILY PICK
UP 97 IMPS AT THE
OTHER TABLE...

you like. The limitation is on your partner, who may not take an action that is not clear-cut or that could have been suggested by your hesitation. You'll be asked, either by an opponent or by the director, to acknowledge that there was a break in tempo. Don't be afraid to agree—it is in no way wrong. When play is finished, if the opponents think there was a problem, they will call the director. That doesn't happen very often.

Never feel threatened by a director call. The director will not take sides or make a hasty decision. You'll get your chance to talk, but the person who calls usually gets to speak first. The dummy may call only if someone else at the table has noted the problem first. Make the call pleasantly, "Director, please!" is a good way. Then listen and maybe even learn something.

Bidding commentary: West has a *mandatory* opening with 12 high-card points and a five-card suit. A reopening bid of 1NT in the passout seat (South) shows 11-14 HCP. South is too strong. To show 15-17 HCP, South doubles and then bids 1NT.

Defensive commentary: West continues with high clubs until South wins the ace.

Play commentary: South has six top tricks with chances for more in three suits. If diamonds break or the ◆J drops, an extra trick is available there. If the spade finesse works, an extra trick or two is available there. In hearts, if you are willing to give up the lead twice, two certain extra tricks are available there. Mirror, mirror on the wall, which is the best suit of all?

As South, ask yourself how many tricks *they* can take once they get the lead. The answer is

The Intermediate-Newcomer area has its own Registration Desk. Martha Farmer of Salem OR is assisted by Sylvia Smith of Mapleton OR and IN Chair Karol Manual of Newport OR. that you are in danger of losing four clubs, max, plus the ♥A and ♥K for six. The idea is not to increase that count if possible. If you can establish tricks in a suit or suits where tricks have to be lost anyway, that's the suit for you. The mirror says: "Attack hearts. Don't worry about diamonds or spades, just drive out the top two hearts." Why increase their trick count when you don't have to. However in a contract of 2NT or 3NT, you can't afford to let them in even once! You have to bring in diamonds and spades for the desired number of tricks. The last suit to attack is hearts!

Theory tested By Liam Johnstone,

Birmingham, England

"If they bid 4♥, you bid 4♠."

I don't know who said that, but to me it's an attractive idea, so when I picked up

▲10 9 5 3 2 ❤ → ★A K J 10 5 3 ♣K 4 on board 18 of the Thursday evening pairs game, and it went 1 ♥ - Pass – 4 ♥, I took delight in placing the 4 ♠ bid card on the table. The 4 ♥ bidder went to 5 ♥, and we passed it out. Minus 450 was a near bottom. When I looked, partner had four spades and asked if 5 ♠ was her bid. Yes, I replied, little knowing what was in store.

Along came board 28, which presented me with

♦J863 **♥**J6 **♦**A1053 **♣**976.

It went 1 ♥ on my right, pass, 4 ♥ on my left, 4 ♠ from Meg, who had obviously got the idea now. Two passes were followed by 5 ♥, passed to me. Hoist with my own petard! I bid 5 ♠ if only to be consistent, and partner's hand was

AA 10 7 5 **V** − **A**K 9 8 7 4 2 **A**K Q 8.

What happened? Oh, she made it. She ruffed the heart lead, played the AA, which drew the king, then a low spade to her left-hand opponent's queen. Fortunately, the diamonds produced six tricks. Plus 650 was a top.

Is the theory proven? I still believe.

Bid Box Alerts and Announcements

When using bid boxes, the ACBL requires that players tap the Alert strip and say "Alert" at the same time.

When making an Announcement, use the Announcement word (such as "transfer") and tap the Alert strip at the same time.

A player who Alerts or Announces a bid must make sure his opponents are aware that an Alert or Announcement has been made.

After his partner bid 6. South asked me what the double of 4. meant. "He wants a club lead," I said. This influenced South to bid 6NT despite the 10-card spade fit. We got one matchpoint out of 25.

At my wife's table, the opponents bid 6♠. East led the ♠ A. North claimed at that point, saying, "I get the rest of the tricks unless you can get a ruff."

My wife, Sue Benedict, said, "Really? Partner, please lead a club." She got her ruff for plus 100.

There is no smoking in the playing areas or the hallways outside. You can smoke in the casino area except where signs say otherwise.

North led the ♦9, taken in dummy with the 10. Popkin played a spade to the queen and North's king. Regional four years later.

About that time, he started directing at a Syracuse club. He was elected to the board of the not-for-profit enterprise and found that one of the responsibilities of board members was to take turns running games.

He has served as president of Unit 112 and District 4 and as the district's judicial chairman and recorder.

In 1992, with longtime TD Burt Garrell close to retirement, Gorkin began training with him and was hired as a part-timer, becoming full time in 1999. Gorkin worked his first NABC in Chicago in 1998 and hasn't missed one since.

Until about five years ago, Gorkin worked mostly in New York and the surrounding area. Then he and his wife, Mary, started spending winters in Florida, meaning he works for Patty Johnson, field supervisor in that state, five months out of the year.

That's a delightful arrangement, says Johnson. "Bernie is an excellent TD," she says. "He is a good people person and will do anything to make a tournament a success. I wish I had him all year."

Siebert tops 25,000

David Siebert of Little Rock AR has advanced to the 25,000-masterpoint plateau. He is a Grand Life Master who has won three NABC+ events. Siebert is active in bridge governance. He is president of District

10, serves on the national Board of Governors and is an alternate to the national Board of Directors. Siebert is a retired owner of a magazine/record/tape wholesale business. He teaches bridge and plays golf and poker.

Rose Meltzer Day

Rose Meltzer has given so much to bridge that we at District 20 are honored to name this day after her. Rose started playing duplicate in the Seventies in the northern suburbs of New York City after a hiatus from college, Columbia

University. While in New York, she served her local unit as tournament chairman and president and also served on the District 3 board. After the move to California in 1997, she served on both the unit and district board there.

Rose is the first and only female to win five open world titles: the World Transnational Teams, Bermuda Bowl, two Senior Bowls and the prestigious Rosenblum Cup (open knockout). She is also the first female since 1960 to win the Spingold Knockout Teams (also second twice in the last two years). Other NABC titles include the Women's Teams, Grand National Teams, Mixed B-a-M teams, Open BAM teams and the prestigious Goldman Pairs.

One of Rose's proudest achievements was being awarded the Sidney Lazard Jr. trophy for "Sportsman of the Year" in 2002. She has always felt it important to give back to bridge and the ACBL, and has been a big supporter of the Junior program. She created "Breakfast with the Stars" for the San Francisco NABC when the district director was asking for help from the locals. That program has been a tremendous success and is offered again today.

Not content to rest on her laurels, Rose and her star-studded team are here competing for more NABC titles. We wish her the best, as we are always glad to see someone who gives so much to bridge doing so well at it.

Slow play: the curse of the game

Patty Johnson, Sebring FL, is a National Tournament Director and the Director-in-Charge for all District 9 (Florida) tournaments.

An old tournament director friend of mine, John "Spider" Harris, was famous for the saying: "Slow play is the curse of the game." Nothing is more frustrating for tournament directors than having to herd players along like cattle when slow play isn't actually the problem.

If you take a moment to think about it, most of your opponents do not take that long to bid or play a deal -- yet before you know it, the round is being called and you are nowhere near finished with the last board.

Here are some suggestions which, if followed, would solve many of our problems.

First: do not post mortem between deals whether you are in a pair game or a Swiss team event. Finish the round and then discuss hands if there is still time. We, as directors, will not cut your time but I think

you will find yourselves under less pressure by following this suggestion. Remember: we provide hand records in pair games so you don't have to worry about forgetting a particular holding.

Second: if you are on opening lead, make your lead before recording the contract in your private score. You will have plenty of time after leading to record the information and still see the entire first trick.

Third: unless you have a legitimate reason to leave the table, such as the restroom or a smoke break, please remain at the table and visit with your opponents. You might actually find this enjoyable and a new way to make friends or future Swiss team partnerships.

I wish we could make these suggestions into rules enforceable by penalty but none of us wants a bridge event decided by the pair with the fewest penalties. All I can do as a director is to ask the cooperation and help of all players because I think not only you but everyone else will enjoy their tournaments more.

Remember: those who enjoy a tournament will continue to play. Do your part to make bridge enjoyable for yourself, your partner and your opponents -- you can't play without them.

The Insider

The ACBL's newest big-time event, the Platinum Pairs, made its debut yesterday. This six-session endurance test started yesterday, will continue today and stagger to a close tomorrow --- just in time for these super pairs to reconfigure themselves into teams to drive for the Vanderbilt title. (Pre-registration for the Vanderbilt closes at 8 p.m. Sunday.) Adding to the stagger factor, everyone will lose an hour of sleep tonight as we "spring ahead" for Daylight Saving Time. Don't forget to reset clocks, watches, sundials, hour glasses and any other method of time keeping you may have. Then, if it is electronic, turn it off before buying your entry --- or leave it in your room or at the phone-check desk if buying an NABC+ entry. The Insider would hate to read about the winner of the Platinum Pairs being determined by an electronic device penalty, especially if the device wasn't even accurate due to the time change. Ouch and double ouch.

Look at all the real information the Insider put into that last paragraph. And both of you thought he just wrote this for entertainment. Speaking of entertainment, be sure to check out Confessions of an "Old" Showgirl tomorrow at 6:30 p.m. She has tales to tell, names to drop, rumors to confirm and feathers to share.

The Insider popped his head into the Club and Teacher Reception yesterday and was impressed with the turnout (and the door prize). The Insider is sure that all of you who have club dealings with headquarters are well aware of how hard Carol and her staff work to take care of all your needs. That same staff also handles membership renewals, inquiries, complaints, customer service and about 17 billion random requests. If you see Carol, be sure to let her know how much you appreciate the excellent work her department does day in and day out.

Angela Berneile of Pasadena CA is helped at the Partnership Desk by District 20 President Sam Asai of Hood River OR and Kazuko Nojima of Reno. The desk is open from 8 a.m. to 1 p.m. and 6 p.m. to 7:30 p.m.

Entry fees

Players must be ACBL members whose service fees or dues are current in order to compete in any of the following nationally ranked events: NABC+ Platinum Pairs, Silodor Open Pairs, Vanderbilt Knockout Teams, Leventritt Silver Ribbon Pairs, Rockwell Mixed Pairs, Lebhar IMP Pairs, Whitehead Women's Pairs, Jacoby Open Swiss Teams, and the Machlin Women's Swiss Teams. The entry fees for these contests are \$20 per player per session.

Players must also be current ACBL members to play in the Bean Red Ribbon Pairs. The entry fee is \$17 per player per session.

Regional championships are \$16 per player per session for ACBL members, \$18 for non-members.

All other events are \$15 per player per session for ACBL members, \$17 for non-members.

(Note: There is no entry fee for any flight of the North American Pairs, but participants are still required to be paid-up members.)

Convention card reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must be identical and include the first and last

names of each member of the partnership.

If a director determines that neither player has a substantially completed card, the partnership may play only the Standard American Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6-board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

Burt Walker honored

Zip KO Teams

Burt Walker, a District 20 and Unit 458 player, learned bridge at the University of Washington in 1943. He began playing duplicate in 1960 and

played his first tournament in 1964. He worked as a director under Sid Davidson from 1975 to 2005. For many years Burt owned the Sequoia Bridge Clubs in Eureka CA until health issues led him to retire. He donated the club and all of its equipment to Unit 445. They in turn have given him a lifetime of free plays and are now further honoring him with today's Burt Walker Stratified Daylight pairs.
